SPORTSMANSHIP AWARD

The Maryland Public Secondary Schools Athletic Association has started presenting an annual sportsmanship award at the Baseball Finals, a tradition established for the first time in 2009. The trophy will be presented to the one school that displays the best overall sportsmanship while participating in the state tournament.

Coaches, players, cheerleaders, and spectators from each participating school will be evaluated and rated by judges appointed at the tournament. Immediately following the last game, the trophy will be awarded to the Principal or a designated representative of the school achieving the highest overall score.

Congratulations to the first recipient...

Sportsmanship Awards

The Maryland Public Secondary Schools Athletic Association presents an annual sportsmanship award at the Lacrosse Finals, a tradition established in 1998. The trophy will be presented to the one boys' team and the one girls' team displaying the best sportsmanship during the state tournament.

Coaches, players, cheerleaders, and spectators from each participating school are evaluated. Raters will include state committee members, region directors, officials, and table personnel. Immediately following the last game, the trophy will be awarded to the Principal of the school achieving the highest score.

SPORTSMANSHIP AWARD

The Maryland Public Secondary Schools Athletic Association presents an annual sportsmanship award at the Softball Finals, a tradition established in 1997. The trophy will be presented to the one school that displays the best overall sportsmanship while participating in the state tournament.

Coaches, players, cheerleaders, and spectators from each participating school will be evaluated and rated on a score of 1-10 by judges appointed at the tournament. Immediately following the last game, the trophy will be awarded to the Principal or a designated representative of the school achieving the highest overall average score.
